FOR IMMEDIATE RELEASE

Wine Country Inn Named “Top 5 Vineyard Wedding Location” in U.S.

Palisade, Colorado, and the Wine Country Inn have been ranked alongside some of the most prestigious wine regions in the United States as one of the best places to get married. PerfectOutdoorWeddings.com has named its “Top 5 Vineyard Wedding Locations” for 2008, listing the Wine Country Inn at Number 4.

The Top 5 List includes famous end-destination wine regions such as Napa and Sonoma in California, Martha’s Vineyard in Massachusetts, Newport, Rhode Island, and the Catskill Mountains region of New York State.

The article also mentions Grande River Vineyards, the Wine Country Inn’s next door neighbor, going on to describe the hotel as both a, “dreamy outdoor wedding venue,” and the perfect place for a “Cinderella” wedding:

“Looking for a “dreamy” outdoor wedding venue? The Grande River Vineyard, located in Palisade, Colorado— is a fantastic place to say “I do”. The Wine Country Inn, found on the vineyard, gives a breath-taking view. The Wine Country Inn also has a nice gazebo and an open patio area, perfect for a “Cinderella” wedding! There’s a range of activities you and your wedding party can take part in—horseback riding, fishing and hiking,” wrote PerfectOutdoorWeddings.com Author and Web Site Creator Victoria Sinclair.

(The Wine Country Inn actually sits in its own 21-acre Mount Lincoln Vineyard that surrounds the hotel, although the Inn’s vineyard borders Grande River’s grapes).

The Atlanta, Georgia,-based PerfectOutdoorWeddings.com is a resource for wedding planners and brides to gain fresh ideas. Sinclair conceived of the Web site after planning her own wedding.

“This is a tremendous honor for our hotel, Grande River Vineyards and the Palisade area,” said Wine Country Inn Co-Owner Jean Tally. “Especially considering that we are a younger property being listed among so many older, more established wine regions. It is a proof-of concept that we can provide a unique venue where quality weddings will make a bride’s special day come to life.”

The Wine Country Inn helps brides create unforgettable lifetime memories in a spectacular vineyard setting. Brides can exchange vows in the open outdoor Pavilion amongst the vines, the beautifully landscaped courtyard or the elegantly appointed Vineyard Ballroom. The inn also offers smaller venues for more intimate events.

Head Chef Dave Kassera can customize a variety of Wedding Reception menus, whether they are formal plated dinners, buffet dinners, hors d’oeuvres and cocktails or the traditional cake and champagne reception. The inn can also tailor selections and service for a more casual celebration.

The hotel’s Catering Department service is available for Rehearsal Dinners, Bridesmaids Brunches and Friends and Family Breakfasts the morning after the big day.

“Whatever your preference, be assured that your wedding will be elegant and memorable,” said Tally.

The Rose Room is a tailor-made service for brides, equipped with a commercial shampoo sink and styling chair as well as special lighting for makeup right in the Vintner’s House, the inn’s private bridal suites in a stand alone “farm house.” The bride and her bridesmaids never have to leave the premises. The

bridal party can bring in their favorite stylist and make-up artist for luxurious pampering.
